Bait and Switch: Human Rights and U.S. Foreign Policy, 2nd Edition

Julie A. Mertus

Bait and Switch: Human Rights and U.S. Foreign Policy, 2nd Edition Julie A. Mertus

It has become routine for the US government to invoke human rights to justify its foreign policy decisions and military ventures. But this human rights talk has not been supported by a human rights walk. Policy makers consistently apply a double standard for human rights norms: one the rest of the world must observe, but which the US can safely ignore.

Based on extensive interviews with leading foreign policy makers, military officials, and human rights advocates, Mertus tells the story of how America's attempts to promote human rights abroad have, paradoxically, undermined those rights in other countries. The second edition brings the story up-to-date, including new sections on the second half of the Bush administration and the Iraq War, and updates on Afghanistan.

The first edition of *Bait and Switch* won the American Political Science Association's 2005 Best Book on Human Rights.

After you know how the truly great a book, you feel would like to read more and more. Science guide was created for teacher or students especially. Those publications are helping them to increase their knowledge. In some other case, beside science e-book, any other book likes Bait and Switch: Human Rights and U.S. Foreign Policy, 2nd Edition to make your spare time considerably more colorful. Many types of book like this.

Claudia Chittum:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Bait and Switch: Human Rights and U.S. Foreign Policy, 2nd Edition can make you sense more interested to read.

David Peacock:

Reserve is one of source of understanding. We can add our understanding from it. Not only for students but also native or citizen will need book to know the upgrade information of year to help year. As we know those textbooks have many advantages. Beside we add our knowledge, may also bring us to around the world. By book Bait and Switch: Human Rights and U.S. Foreign Policy, 2nd Edition we can take more advantage. Don't one to be creative people? To get creative person must choose to read a book. Only choose the best book that appropriate with your aim. Don't become doubt to change your life by this book Bait and Switch:
