## **The Lusiads (Oxford World's Classics)** Luis Vaz de Camoes

1998 is the quincentenary of Vasco da Gama's voyage via southern Africa to India, the voyage celebrated in this new translation of one of the greatest poems of the Renaissance. Portugal's supreme poet Camoes was the first major European artist to cross the equator. The freshness of that original encounter with Africa and India is the very essence of Camões's vision. The first translation of *The Lusiads* for almost half a century, this new edition is complemented by an illuminating introduction and extensive notes.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
