Tossed out of college and cut off by her parents, Samantha West is in pretty dire straits. So when her rocker best friend hooks her up with a job dancing at a gentlemen's club, who is she to turn it down? Plus, there are rules to dancing at Benny's: No touching, keep your clothes on at all times, and never get closer than three feet. Unfortunately for Sam, her first private client makes her want to break every single one of them.

Harrison Yates is scorching hot, but he's got a past that involves being left at the altar not too long ago. Sam is determined to make him forget about his ex, but when she makes her move, it flings her life into a spiral of chaos she never saw coming. Because Harrison Yates isn't who he seems to be. And his secret will probably get her killed.
