Chinese Chess: An Introduction to China's Ancient Game of Strategy H. T. Lau
Learn the ancient and fascinating game of Chinese Chess with this expert guide.

Chinese chess, or "elephant chess," has intrigued the powerful and the quizzical for centuries. Although its rules are similar to the well-known Western game, subtle and fascinating variations must be mastered in order to understand the strategies it requires. A great way to learn Chinese Chess, this book is simple enough for Chess beginners but contains a wealth of information and tips that experienced players will find useful as well.

In *Chinese Chess*, author H.T. Lau explains the game's fundamentals—the rules, the board, and the basics with dozens of insightful diagrams. With the aid of 170 diagrams, *Chinese Chess* walks players through the board, the movement and values of the pieces, basic rules for capturing and defeating an opponent, techniques and game winning tactics. Once he's covered the basics, Lau introduces advanced tactics, methods for escaping difficult positions, and cunning strategies for winning.

This book includes eighty mid- and end-game exercises designed to sharpen playing skills and strategy, and concludes with two appendixes devoted to the elegantly constructed games found in *The Secret Inside the Orange* and *The Plum-Blossom Meter*, two classic seventeenth-century works on Chinese chess.

Mattie Peters:

Many people spending their time by playing outside along with friends, fun activity having family or just watching TV all day long. You can have new activity to enjoy your whole day by looking at a book. Ugh, ya think reading a book can actually hard because you have to accept the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smart phone. Like Chinese Chess: An Introduction to China's Ancient Game of Strategy which is finding the e-book version. So , try out this book? Let's find.

Linda Barefoot:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Chinese Chess: An Introduction to China's Ancient Game of Strategy can make you experience more interested to read.
