## **Corporate Finance (Hornbook)** Jeffrey Haas

This Hornbook is an indispensable resource for both legal practitioners focusing on business and finance as well as students taking classes in business associations, corporate finance and mergers and acquisitions. The book expertly lays out the fundamentals of corporate finance from a legal and business perspective in a manageable, user-friendly manner. The author highlights how accounting, finance and corporate law intersect and operate synergistically. The book provides an in-depth analysis of how the law affects both equity securities (common stock and preferred stock) and debt securities (bonds, debentures and notes), as well as a company's capital structure generally.
