Impostor T. L. Davison

A Sequel to Love's Legacy, IMPOSTOR is a story of the lengths a man would go for the woman he loves. It's the story of one man's sacrifice to protect that woman and ensure the best for her. It's Kenn Michael's story after he is supposed to have died in an explosion, but comes out alive but horribly disfigured. He is offered a chance of a new life with facial reconstruction but there is a condition attached. Lance Stevens, menaced by demons of insecurity and jealousy wants him to completely disappear behind a totally different face and never let Jennifer-Claire—the woman they both love—know that he's alive. While feeling like he's made a deal with the devil, Kenn Michael accepts Lance's condition, not for his own sake but Claire's. His love for her is deep enough to be selfless and since she has chosen Lance's offer, he agrees to bow out of her life...However, not before warning Lance that the lie and charade they are both about to perpetrate would return to haunt him. Kenn Michael also warns Lance that if he ever hurts Claire in any way, Kenn Michael would make him wish he had never been born. Despite their best intentions their lives continue to remain entwined after Kenn Michael re-emerges as Mike Harper, climbs to rock superstardom with everything a man can desire, except the one thing he wants most. The woman he can't forget no matter hard he tries. Ten years pass and Lance learns that he's terminally ill at the age of forty. He asks Kenn Michael to look after Claire and their children after he's gone. Kenn Michael agrees and become the pillar of strength that Claire leans on after Lance passes away. The children also grow to adore him. A year later while deep feelings exist between them Claire refuses to give in to hers for fear of something happening to the man she knows as Mike Harper if she loves him. She feels jinxed; that any man who loves her, dies. However, Kenn Michael, not about to give up on her..... This is his chance and he'll do whatever it takes to have the woman of his dreams.
