When Ocean took her vows for better or worse, she never anticipated that the worse would come in a form of another woman who thought she deserved the #1 spot in her husband's life. Since when did you have to compete for you own husband? That may sound like a silly question but for Ocean, it's all too real. This story is told through the eyes of the mistress who feels she's more than earned her position, the wife who has secrets of her own and the husband who thinks he has everything under control. Everyone in this triangle is carrying a secret but whose secret is dark enough to shatter their lives in a million pieces?
