Pet Photography: From Snapshots to Great Shots Alan Hess

This new entry in the From Snapshots to Great Shots series will teach readers everything they need to know about photographing their pets. Like all books in the series, the book will offer instruction on basic photographic technique, discussing exposure settings, lighting, equipment, etc. Then the book will dive into working with various types of animals, posing them, capturing action shots, and working with multiple subjects.

From Snapshots to Great Shots is a beautiful how-to photography series that provides the perfect blend of instruction, inspiration, and reference for specific camera models and photography concepts. Featuring a clear, elegant design; outstanding images that educate and inspire; and a friendly, accessible voice, this series helps photographers get great shots every time they pick up their camera.
