Socialite Journee expected her eighty-two-year-old husband to only live four days past their wedding night, but it's been four years. And just when it seems that he's ready to meet his maker, his son--Journee's ex-lover--shows up. Hair care mogul Vera is struggling with her failing marriage and the last thing she needs is her drug-addicted mother to further ruin her life or her image. Jaise is finally standing by her man. But will she live the life she thinks or will it cost her everything?
