Sixteen-year-old Noah Daniels wants nothing more than to fight in George Washington's Continental Army, but an accident as a child left him maimed and unable to enlist. He is forced to watch the Revolution from his family's hard scrabble farm in Upstate New York—until a violent raid on his settlement thrusts him into one of the bloodiest battles of the American Revolution, and ultimately, face to face with the enemy. A riveting coming of age story, this book also includes an author's note and bibliography.
