At night, the city is alive with myriad lights, diamonds dazzling in the buildings that scrape the sky. Music, food, dance and dark rituals all can be found beneath the mantle of darkness in New York City.

Here within Gotham there have always been secrets, countless, sinister and horrifying. From the savage massacre at Throg's Neck to the things beneath the earth on Barren Island, New York City has always been protective of its mysteries. Now many of them are revealed.
