The purpose of Life from the very beginning has been dominion-dominion over every adverse circumstance. And through his part of dominion, his nerve cell in the Mind of God and his ability through it to get whatever action he may persistently demand-man HAS dominion over everything. There is a Spark of Divinity in YOU. What are you doing to fan it into flame? Are you giving it a chance to grow, to express itself, to become an all-consuming fire? Are you giving it work to do? Are you making it seek out ever greater worlds to conquer? Or are you letting it slumber neglected, or perhaps even smothering it with doubt and fear?
