"GENIUS! GENIUS! GENIUS! I loved it!"

In the pretty vale of Nockton, sinister forces are at work that can strip you of your very identity and press you into a new one. All it can take to summon the dark power of the Golden Gloom is a careless wish. Sometimes not even that.

Six dark tales of transformation follow the stories of five women and one man as they are changed beyond recognition. Journey with them as they are thrust into new lives that are both chilling and at the same time strangely tantalising.

Enter Nockton Vale once more but know that you will never leave unchanged.
