Baroque Baroque: The Culture of Excess

Stephen Calloway

Baroque Baroque: The Culture of Excess Stephen Calloway

Now available for the first time in paperback, this extraordinary book examines the 'culture of excess' in all its twentieth-century manifestations. Fashion, film, photography, design and decoration: all feature in Stephen Calloway's meticulous coverage of the colourful, the opulent and the theatrical. The author examines early examples of Baroque excess - by the Sitwells, Cecil Beaton, Angus McBean and others - as well as the darker Baroque spirit of the wartime Neo-Romantics and film-makers such as Fellini and Jarman. Tracing the Baroque tendency all the way into the 1990s, he shows how ideas have been cross-fertilized, providing links between such unlikely bedfellows as Leon Bakst and Luis Bunuel, Coco Chanel and Nigel Coates, Liberace and Lacroix. Illustrated with a wealth of photographs, this book provides a celebration that is truly Baroque in substance and in spirit.
