Dios y el tren de medianoche: God and the midnight train (Spanish Edition)

Juan Carlos Cervantes

Dios y el tren de medianoche: God and the midnight train (Spanish Edition) Juan Carlos Cervantes

"La estrella de sagitario surcó el cielo, el hombre se alzó frente a su creador y proclamó: reclamo lo que por derecho me pertenece. El creador lo miró con dolor en los ojos pero no pudo emitir objeción alguna, así lo había creado. Huyó de su error, escondiéndose en lo profundo del universo conocido, con la esperanza de no ser encontrado jamás. Y así nació el Dios Hombre, creador de la realidad y forjador de su propio destino. La utopía había comenzado".

Solo habrá futuro si Dios permanece en su cielo.

Una crítica mirada sobre la realidad de los valores, la fe y la moral. La verdad es una mentira disfrazada según la conveniencia de su creador.

Una obra que busca incentivar la auto-reflexión introspectiva de las personas en cuanto a su relación con sus pares, estimulando la imaginación y la auto-reflexión del lector a través del comportamiento de toda una ciudad en representación de la raza humana y de cómo todos y cada uno de sus actos, pensamientos y creencias definirán el destino del hombre. Las creencias, la religión, la moral y las costumbres serán puestas en tela de juicio y por ende, esto le permitirá al lector dar una mirada más profunda a su propia realidad.
