## **Loot** Chris Keane

In the spirit of *The Goonies* and *Stand By Me* comes the #1 BEST SELLING KINDLE SHORT READ about adventure, friendship and risking it all for the Atari 2600 in *Adventure!*

It's the autumn of 1977. Twelve-year-old Andy Astoria's life is about to change forever. His aunt dies, leaving behind a farmhouse full of treasures. And the Atari 2600 is about to be unleashed on throngs of adoring fans at Middlebrook Junior High.

On a perfect Halloween day, Andy convinces his best friends, Carl and Teddy, to skip trick-or-treating. Their mission? Search his aunt's farmhouse for cash so they can purchase their generation's Holy Grail. Two tiny problems. They'll have to navigate the winding hills of northern New Jersey to get there. And manage to outrun Andy's pack of crazy, greed-fueled relatives hot on their trail.

Will they make it to the farmhouse in one piece? Will Andy discover something more important than the treasure? When in doubt, leave the candy...and go for the LOOT!

### From reader reviews:

#### **Jaclyn Warner:**

Book is to be different for each grade. Book for children until eventually adult are different content. We all know that that book is very important for us. The book Loot seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide Loot is not only giving you far more new information but also to get your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship using the book Loot. You never really feel lose out for everything if you read some books.

#### **Andy Breaux:**

Here thing why this Loot are different and reputable to be yours. First of all looking at a book is good but it really depends in the content from it which is the content is as delightful as food or not. Loot giving you information deeper as different ways, you can find any publication out there but there is no e-book that similar with Loot. It gives you thrill reading through journey, its open up your eyes about the thing that happened in the world which is probably can be happened around you. You can actually bring everywhere like in park, café, or even in your technique home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Loot in e-book can be your choice.

#### **Tony Valdez:**

With this era which is the greater particular person or who has ability in doing something more are more special than other. Do you want to become certainly one of it? It is just simple solution to have that. What you should do is just spending your time not very much but quite enough to possess a look at some books. One of the books in the top record in your reading list will be Loot. This book that is qualified as The Hungry Hills can get you closer in becoming precious person. By looking up and review this guide you can get many advantages.

#### **Tina Wilson:**

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many issue for the book? But almost any people feel that they enjoy for reading. Some people likes looking at, not only science book but novel and Loot or maybe others sources were given expertise for you. After you know how the fantastic a book, you feel need to read more and more. Science guide was created for teacher or maybe students especially. Those guides are helping them to put their knowledge. In different case, beside science e-book, any other book likes Loot to make your spare time more colorful. Many types of book like this.
