Secular Sabotage: How Liberals Are Destroying Religion and Culture in America William A. Donohue

This assault is not happening from accident or whim. It is happening because disaffected liberals have deliberately set out to upend our Judeo-Christian traditions. Indeed, they are determined to tear down the traditional norms, values, and institutions that have been part of American society from its founding. The cultural debris that these saboteurs have created will take decades to clean up.

In feisty prose Donohue explores our nation where a college student is threatened with expulsion because she prayed on campus, a civil rights organization protests a statue of Jesus found on the ocean floor and a housewife sues a school district to stop the singing of Rudolph The Red-nosed Reindeer at a school choral production. These are just a few examples cited that demonstrate a culture descending into madness.

Donohue takes no prisoners as he digs out and exposes the groups behind this all-out attack on our Christian traditions. Among these are the radical atheists, the proponents of multiculturalism, the sexual libertines, the Hollywood elite with their not-so-hidden agenda and lawyers who collaborate for profit.
