Understanding the I Ching

Understanding the I Ching Hellmut Wilhelm, Richard Wilhelm

The West's foremost translator of the *I Ching*, Richard Wilhelm thought deeply about how contemporary readers could benefit from this ancient work and its perennially valid insights into change and chance. For him and for his son, Hellmut Wilhelm, the *Book of Changes* represented not just a mysterious book of oracles or a notable source of the Taoist and Confucian philosophies. In their hands, it emerges, as it did for C. G. Jung, as a vital key to humanity's age-old collective unconscious. Here the observations of the Wilhelms are combined in a volume that will reward specialists and aficionados with its treatment of historical context--and that will serve also as an introduction to the *I Ching* and the meaning of its famous hexagrams.
