Code Check Complete, 2nd Edition combines the full versions of the individual Code Checks (Building, Electrical, Plumbing, Mechanical) in a complete, all-in-one guide to the most commonly cited code violations encountered by building inspectors. Using clear language to ensure compliance with codes at each stage of construction, this edition reflects the most up-to-date changes in the building, plumbing, mechanical, and electrical codes. Tables and illustrations help to clarify the complex rules and numerous changes in the latest edition of the codes. Specific code changes are highlighted throughout the text and summarized at the end of the book.

The Code Check series is one of Taunton's most successful book lines, selling over 1,250,000 copies; the series is endorsed by the International Code Council (ICC). Designed to work hard for the user, *Code Check Complete* has a tough outer case and lay-flat spiral binding perfectly suited to the job site or the desktop. Detailed cross-references and 400 drawings address all common code questions with up-to-date answers, ensuring that all jobs meet the highest safety standards while drastically reducing code violation call-backs.
