**Using humor as the common denominator, a multicultural cast of YA authors steps up to the mic to share stories touching on race.**

Listen in as ten YA authors -- some familiar, some new -- use their own brand of humor to share their stories about growing up between cultures. Henry Choi Lee discovers that pretending to be a tai chi master or a sought-after wiz at math wins him friends for a while -- until it comically backfires. A biracial girl is amused when her dad clears seats for his family on a crowded subway in under a minute, simply by sitting quietly between two uptight women. Edited by acclaimed author and speaker Mitali Perkins, this collection of fiction and nonfiction uses a mix of styles as diverse as their authors, from laugh-out-loud funny to wry, ironic, or poignant, in prose, poetry, and comic form.
