If you love a bloody good Zombie adventure, don't miss The Apocalypse!

Greed, terrorism, and simple bad luck conspire to bring mankind to its knees as a viral infection spreads out of control, reducing those infected to undead horrors that feed upon the rest.

It's a time of misery and death for most, however there are some who are lucky, some who are ruthless, and some who are just too damned tough to go down without a fight. This is their story.

What the readers say about the #1 Amazon thriller: **The Apocalypse:**

"No frills, just raw and earnest fear." David Powel, author

"The characters have depth, and meaning. They are flawed which makes them more believable and infinitely more identifiable..." Mark Tufo author of *Zombie Fallout*

"This has everything I love in a good story: interesting characters, vivid details, fast pacing, and a shocker at the end."
