The Other Bible Willis Barnstone

A new edition of our classic, *The Other Bible*, including a new index, new cover, and a new introduction from the author to bring *The Other Bible* up to date.

The Other Bible gathers in one comprehensive volume ancient, esoteric holy texts from Judeo-Christian tradition that were excluded from the official canon of the Old and New Testaments, including the Gnostic Gospels, the Dead Sea Scrolls, the Kabbalah, and several more. *The Other Bible* provides a rare opportunity to discover the poetic and narrative riches of this long-suppressed literature and experience firsthand its visionary discourses on the nature of God, humanity, the spiritual life, the world around us, and infinite worlds beyond this one.

This new edition will include a full index and a new introduction from editor Willis Barnstone.

The interest in Gnostic texts begun with *The Da Vinci Code* has spread to include many of the other "suppressed" early texts of Judaism and Christianity, and this book contains many of them in one volume.
