W.A. Últimos días de Warla Alkman (Tusitala) (Spanish Edition) Irene Zoe Alameda

EPUB2. El rey de la isla de Redonda, escritor reconocido, pretende conseguir el manuscrito inédito y póstumo de Graham Greene que, por casualidad, ha caído en las manos de la autora de best-sellers más importante del momento, Adda Weinstein, nombre bajo el cual se esconde una mujer completamente desconocida por todo el mundo. Walda Alkman también es escritora, una mujer silenciosa y soñadora. Fracques querría ser escritor, pero cree que no tiene aptitudes, y al final decidió ser detective. A ambos los contratará el rey: a ella para que, oficialmente, investigue a Adda, descubra quién es y le robe el manuscrito; y a él para que, sin ser visto, siga a Walda y compruebe que hace lo encargado. La novela narra, bajo el punto de vista de Fracques, las peripecias de Walda a lo largo de su viaje por Europa. Con grandes dosis de humor y un amplio bagaje cultural, escrita a caballo entre el teatro puramente dialogado y la narración de aventuras, intercala vídeos, imágenes, dibujos, canciones, poesías y todo tipo de elementos multimedia que, definitivamente, marcan un nuevo género literario: el puramente digital. Una novela brillantísima y metaliteraria de una autora de innegable proyección. Un libro para leer en papel o en papel y en pantalla y que va a suponer algo tan fuera de lo usual y tan rompedor como en su día fue para una generación, la Rayuela de Cortázar... Incluye códigos QR para ilustrar la historia.
