Many of North America's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions — such as the Rocky Mountains in Denver, the Georgia Aquarium in Atlanta, Lake Ontario in Toronto, and volcanoes in Hawaii. Rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place.
