Nuthin' But Mech

Nuthin' But Mech

Nuthin But Mech is the brainchild of Lorin Wood of Gearbox Software. He wanted a place to harbor his passion for robots so he put together a blog and corralled some of his friends and professional acquaintances to populate this nook of cyberspace. A collaborative effort from over 40 artists, this title will showcase various styles of mecha design that the artists create while they are not working on block buster movies, tv shows and video games.
