AND Because We Love Our Readers – BONUS STORY INSIDE!!!

There were several ups and down in Laila, the 20 year old colored pretty high school girl's life. She loses her parents in a motor accident and is forced to live with her poor Aunt. Being young and a bit of a thrill seeker she joins a dare-devil gang and is forced to do a bit of shoplifting, partly for kicks and to keep with the high spending girls. She is very unfortunate to be caught and prosecuted. It forces her to abandon her high school carrier. She finds a job in a dress boutique and works her way up to be the manageress. Her immediate boss, a middle aged handsome white bachelor finds he is strangely attracted to the colored girl, he makes advances and Laila responds positively. Being promoted she celebrates the event with her white boy friend and in her exuberance, she surrenders her virginity to him.

Thereafter Laila finds herself being blackmailed by one of her high school girl's who happened to be the gang leader of the shoplifters. With the help of her immediate boss and her best friend Lamia they are able to trap the hard core shoplifter and get her arrested. Once again it was celebration time; Laila celebrated her second chance in life with her boy friend once again by surrendering her body and soul to him.
