The Secret in Their Eyes

Eduardo Sacheri

The Secret in Their Eyes Eduardo Sacheri

Now a Major Motion Picture starring Julia Roberts, Nicole Kidman, and Chiwetel Ejiofor

Benjamín Chaparro is a man haunted by his past—a retired detective, he remains obsessed with the decades-old case of the rape and murder of a young woman in her own bedroom. As he revisits the details of the investigation, he is reacquainted with his similarly long, unrequited love for Irene Hornos, then just an intern, now a respected judge. Absorbing and masterfully crafted, *The Secret in Their Eyes* is a meditation on the effects of the passage of time and unfulfilled desire.

Eduardo Sacheri's tale is imbued with the subdued terror that characterized the Dirty War of 1970s Argentina, and was made into the Academy Award winning film of the same name in 2009. Julia Roberts, Nicole Kidman, and Chiwetel Ejiofor now star in the English language depiction of this gripping story, to be released in the Fall of 2015.
