Battle Ready [Cd] [Audiobook] Tom Clancy

17 Hours 35 Minutes unabridged. Battle Ready follows the evolution of both General Zinni and the Marine Corps, from the cauldron of Vietnam through the operational revolution of the 70s and 80s, to the new realities of the post-Cold War, post-9/11 military-a military with a radically different job and radically different tools for accomplishing it. This audiobook is a front-row seat to a man, an institution, and a way of waging both war and peace that makes this an instant classic of military history.
