## **Deception City: A World at War Novel (World at War Online Book 5) Mitchell T. Jacobs**

The revolution continues. Step into the virtual reality of World at War, and join the fight. Become part of the great factions struggling for supremacy, or forge your own path. Builder, fighter, highwayman, commander: what will your role in the struggle be?

The Hydra Alliance has finally gained the upper hand over their hated Ragnarok foes. Pressing their advantage, they push deep into enemy territory, causing havoc as they move forward.

Black Wolf Company fights at the forefront of the offensive, striking with great force and little warning. Victory seems near at hand. But their advantage may not be as clear-cut as it appears on the surface, especially against a viciously cunning enemy. And as they commit more and more to the fight, they must ask themselves one question...

Is this a triumph, or is it a trap?
