Learning Spanish Like Crazy was developed to teach conversational Latin American Spanish. The course was developed after the Founder of the course realized that the Spanish that Latin American actually speak was different from the Spanish that he had learned from other self-study Spanish courses. Unlike many other Spanish courses, Learning Spanish Like Crazy teaches you how to speak spoken Latin American Spanish as opposed to textbook or formal Spanish. The course is all audio. This is the first in the series of two levels of Spanish. The first level will take the student from beginner to lower intermediate level. As a special bonus gift for Amazon customers, the customers are given access to re-mastered downloadable copies of the complete FSI Spanish Level III and FSI Spanish Level IV. As an additional bonus gift, with your order you will receive a link to download bonus video Spanish lessons.
