## **Secrets of Lunar Falls (Volume 1)** Lashell Collins

When veterinarian, Dr. Carly Tipton, takes a new job in the tiny farming community of Lunar Falls, she expects to build a new life for herself. She expects to meet new people and have new experiences. Maybe she's even expecting a little adventure. But what she's not expecting is to fall head over heels in love – not with the town, and certainly not with its ruggedly sexy sheriff, Gabriel Masters. She's also not expecting all the secrets Lunar Falls is hiding. Secrets that could destroy everything she ever believed was true about her own heritage and the family she left back home. Gabe isn't ready for Carly when she blows into town. That woman has the power to bring him – a man born and raised to be a GrandAlpha – to his knees, and she's human! That simple fact alone makes her dangerous to Gabe's position within the pack. But the fact that he can't seem to stay away from her tells him that this woman is the one. Human or not ... she's his mate. And now Gabe has to find a way to make their bonding complete without sparking a civil war among his people. Secrets of Lunar Falls is book one of an adult, sexy shifter romance trilogy.
