Trinity Silverman has wasted too much of her life worrying. She's successful, she's financially secure, and she's beautiful. It appears that she has everything a person could want, but despite all this, Trinity just can't seem to get rid of her constant, nagging anxiety.

That is, until the day she meets a renowned researcher doing groundbreaking work for a powerful pharmaceutical company. He's willing to give her a vial of pills—for a price—that he guarantees will eradicate all her fears and doubts. Trinity thinks she's found what she's always been looking for: the key to unwavering self-confidence.
