Chosen as the Billionaire's Pet Taylor James

Sarah is lucky. She has been fortunate enough to find herself in the running, among six other women, to be picked as a pet for one of three handsome, wealthy men. It's temporary; just a week. A week of complete control and domination; a week with a leash and collar around her neck. She wants it *badly*.

She has her eyes on William, a tall, black man with a deep voice and smile with hidden lust behind it. All the women wait on their hands and knees to be judged. Sarah will do anything to get picked. All she wants is a ruthless master.

Come and witness Sarah's domination when she is chosen as the billionaire's pet...
