Commercial Drafting and Detailing

Alan Jefferis, Kenneth D. Smith

Commercial Drafting and Detailing Alan Jefferis, Kenneth D. Smith

The only book of its kind on the market today, COMMERCIAL DRAFTING AND DETAILING, 4E will give you everything you need to gain a solid understanding of commercial drafting and detailing - it's all here, in one comprehensive resource. The fourth edition maintains the winning features of its previous editions; clear explanations and professional, practical examples that walk you through the architectural and structural drawings required in a complete set of commercial plans. It then builds on these successes by increasingly integrating design components into each chapter, replacing free-hand sketches with CAD skeleton drawings, and updating the information to reflect the 2015 International Building Code. The end result: a valuable tool that will keep you up-to-date on the most current industry trends and prepare you to succeed.
