Robert Kirkpatrick, a construction worker at the ballpark of the new Major League Baseball team beginning play in San Antonio next season, is blackmailed by a North Korean national into planting a brief case inside a wall in the new stadium. Robert soon realizes that the brief case contains a sniper rifle and that the North Koreans plan to use it to assassinate the President of the United States at the team's inaugural Opening Day festivities. Robert is then forced to run for his life and for the lives of his wife and daughter as the North Koreans attempt to silence him.

The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this Eagle Eye View.

Michael Clements:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Eagle Eye View can make you really feel more interested to read.
