From the acclaimed *New York Times* bestselling author of *If I Can't Have You* and *Darius Jones* comes a new novel as sexy and riveting as the best of Zane and Eric Jerome Dickey.

Nursing wealthy businessman Chicago DuBois back to health was the least Loretta Lovelace figured she could do. After all, it was her bet that set off Loretta's stalker -- and put Madison's husband at death's door. And with Madison out of the country, Loretta couldn't resist looking after Chicago's interests and reigniting his passion for life -- in and out of bed. But now Madison wants to take back what's no longer hers, and that's a mistake Loretta plans to make her regret.

With a baby on the way and a family empire to save, Madison knows it's past time to make some tough decisions. But for this spoiled beauty, treacherous habits die hard, and the sexy billionaire who just can't get enough of her is the weapon she needs to escape scandal and settle old scores. Too bad her newest play will put her in way over her head, and making things right will mean gambling with everything she wants most.
