## Como obtener la certificación de programador de java fácilmente

Los exámenes de certificación de Java 7 son difíciles y engañosos.

A veces, la experiencia en el lenguaje Java no es suficiente. Tienes que conocer el formato de las preguntas y entender porque algunas cosas son como son y cuándo y cómo usarlas correctamente.

¿Sabes de una buena estrategia para pasar el examen? Muchas personas estarán de acuerdo en la siguiente:

1. Tomar un curso que cubra todos los temas del examen o estudiar por ti mismo con una buena guía de estudio.
2. Practicar todo lo que puedas con exámenes o simuladores de la certificación.

El propósito de este libro es ayudarte con el segundo punto.

Este libro contiene 120 preguntas para el examen IZ0-803, **Oracle Certified Associate Java SE 7 Programmer (OCAJP)**. Te ayudará a:

1. Saber que cubre el examen.
2. Aumentar las posibilidades de pasar el examen al practicar con preguntas similares a las del mismo.
3. Fortalecer tus conocimientos acerca de los ocho temas cubiertos por el examen.

Conteniendo 15 preguntas por cada tema del examen, este libro no pretende tener el mayor número de preguntas de práctica. Pero si pretende tener las preguntas que te ayudarán a pasar el examen OCAJP, ya que se enfoca en la calidad, no cantidad.

Cada pregunta fue seleccionada para evaluar un punto en particular por cada objetivo del examen. No son solo preguntas de relleno que no tienen ninguna relación con el examen. Se incluyen explicaciones para la(s) respuesta(s) de cada pregunta.

Además, el libro está formateado (especialmente en las preguntas con código) para proporcionar la mejor experiencia para el Kindle.

Ve al principio de esta página y lee el principio de este libro gratis ya sea haciendo clic en la portada o enviando un fragmento a tu Kindle u otro dispositivo.

O mejor aún, haz clic en el botón comprar y empieza ahora.

¿Ya pasaste el examen OCAJP? Prepárate para el siguiente examen **Oracle Certified Professional Java SE 7 Programmer (OCPJP)** con nuestro siguiente libro de esta serie en
