## **My Dog the Liar: The Story of a Special Dog** Richard O Price II

This is the story of a special relationship between a beloved dog and his family. A love that endured nearly fifteen years with many twists and turns. Some stories were very funny and some very frustrating at the time, but none the less a part of this amazing story. It is a true story of a special love of a dog who became more of a family "member" than of just a dog. For those of you who are true animal lovers, this story will make you laugh and cry and feel the frustration of having a dog who sometimes really believes he is a human and then feel the anguish of making some critical decisions regarding your dog. It is mostly a story of all the years of memories, both good and then some you would like to forget. Read this book with a sense of knowing that a beloved dog IS a real part of your family and a member who is treated the same as everyone else, albeit a dog.
