The Dead Eyes Killer lurks in the backyard of the famed FBI Profiling Unit. His brutal murders confound the local task force, despite the gifted profiling skills of Special Agent Karen Vail. But along with Vail's insight and expertise comes considerable personal and professional baggage.

On leave pending a review of her assault on her abusive ex-husband, Vail must battle forces determined to bring her down, as she fights to find Dead Eyes before he murders more young women. But the seventh victim is the key to all that stirs this killer...the key that will unlock secrets perhaps too painful for Vail to bear. These are secrets that threaten to destroy her, secrets that will bring down her storied career. For Karen Vail, the truth rests at the heart of a lie. And uncovering it could get her killed...

With material meticulously researched during seven years of study with the Bureau's vaunted profiling unit, Alan Jacobson brings refreshing realism and unprecedented accuracy to his pages.

The 7th Victim is a page-turner as only Alan Jacobson can write, with a stunning twist of an ending that will satisfy even the most discerning thriller reader.
