Green Retail Design Martin Pegler

Green is in with more and more architects, store planners and visual merchandisers who are turning to green solutions to satisfy both eco-aware retailers and their knowledgeable shoppers. But green retail not only makes environmental sense; it also makes dollars. Knowing no borders, the green movement is sweeping across continents and affecting store design. In this new title, Martin M. Pegler takes you on a world tour of assorted retail environments. From top designer boutiques to outdoor experiences. From markets and food halls to dining spaces. From showrooms and exhibits to store windows. *Green Retail Design* showcases LEED certified stores, as well as those that are reusing, repurposing, reclaiming and recycling in other ways. Here is the first look at the future of store design.
