The Meaning of Life

Dean Gualco

The Meaning of Life Dean Gualco

This leads to my definition of life. In many ways, it is quite simple: It is using your talents to, in some small way, make a difference in this world. Whether it's working with the environment, or our educational system, or those with physical or mental challenges, or those in the dawn or twilight of their lives, meaning is achieved by working towards and leaving behind something of value to the next generation. It matters little whether your aspiration or dream was realized: we'll never have world peace, or feed the hungry, or avoid catastrophic diseases or illnesses. What matters is that you tried, that you worked to make the world a better place. What matters is that, when you look back over your life, you can say that you fought the good fight, that you did what was right, and that you made a difference in this world. In *The Meaning of Life*, author Dean Gualco tackles an assortment of questions that many of us have asked at one point or other: Why are we here? What is our purpose? How does one lead a decent and honorable life? Divided into five sections, *The Meaning of Life* seeks to provide the answers. With discussions that include determining what you stand for, doing the best with what you have, and living life with the knowledge that it goes by in a blink, Gualco provides a thought-provoking study of an issue that has perplexed man for centuries.
