**Blood makes you related. Loyalty makes you family.**

In the underbelly of Soho's organised crime ring, everyone knows that retired boxer Harry Woods is not one to mess with. And that goes double for his family.

Harry has it all: the big house, the flashy cars, and an abundance of wealth. As much as money talks in his world, Harry knows deep down the only thing that really counts is family. Haunted by the sudden death of his wife, he'll do anything to protect his children, but truth is a heavy burden and hidden secrets can unravel even the strongest of bonds...

Without loyalty, family are bound together only by blood. Bad blood.
