The Ahmadis and the Politics of Religious Exclusion in Pakistan (Anthem Modern South Asian History)

Ali Usman Qasmi

The Ahmadis and the Politics of Religious Exclusion in Pakistan (Anthem Modern South Asian History) Ali Usman Qasmi

In this path-breaking new work, Ali Usman Qasmi traces the history of the political exclusion of the Ahmadiyya religious minority in Pakistan by drawing on revealing new sources. This volume is the first scholarly study of the declassified material of the court of inquiry that produced the Munir–Kiyani report of 1954, and the proceedings of the national assembly that declared the Ahmadis non-Muslims through the second constitutional amendment in 1974. *The Ahmadis and the Politics of Religious Exclusion in Pakistan* chronicles anti-Ahmadi violence and the legal and administrative measures adopted against them, and also addresses wider issues of the politics of Islam in postcolonial Muslim nation-states and their disputative engagements with ideas of modernity and citizenship. Winner of the Karachi Literary Festival Peace Prize 2015.
