The Rose Ring Lucie Ulrich

With a will that reads like a piece of fiction, the return of his long-lost brother, and the possibility of losing the family ranch, Micah Cooper calls on high school friend, Sky Baxter, to bail him out of a bad situation.

Though her brain tells her no, Sky's heart says yes. She accepts Micah's in-name-only proposal, knowing it's unlikely anything permanent will come of it. She's been in love with him since the ninth grade, and if he hasn't figured it out by now, there's little chance he ever will.

When an unexpected kiss ignites a spark, giving Micah hope for a possible future with Sky, a tragic accident threatens to take it all away. Torn between following his heart, doing the right thing, and forgiving the past, Micah is lost in a whirlwind of pain and emotions. Will he make it through the next two years, or will a long-kept family secret be the undoing of the Cooper family? (or... be the undoing of all of them?)
