The Voters' Guide to Tax Policy: The 2016 Presidential candidates' tax policies and their impact on you Beth Logan EA

The 2016 Presidential candidates' tax policies in plain English and what each means to the typical taxpayer. Be an informed voter! In this time of sound bites and political spin, this is a non-political look at the Presidential candidates' tax policies and what each policy means for you. It starts with an overview of today's tax code as a basis for understanding the candidates' positions. Then The Voters' Guide to Tax Policy goes into its main mission: to provide an explanation of each candidate's tax policy and who benefits from the proposal. It does not discuss whether a benefit or harm is the right thing – that is up to each voter to decide. At the end, it provides examples of various typical taxpayers' tax liability under each candidate's policy. As an Enrolled Agent (a federally licensed tax professional), the author is an expert in income tax and experienced in explaining income tax to taxpayers.
